INTRODUCTION TO OUR TROUPE PROGRAM

Welcome to Dynasty! The Dynasty Performance Troupe Program has been developed using more than 40 years combined expertise of the Dynasty directors. Expertise that combines diverse technical knowledge, their personal dance training, competition experience as performers, choreographers and adjudicators, national and international professional industry experience, years in coordination and management roles, along with studies in dance, education and child psychology. All instructors at Dynasty Studios come from highly trained backgrounds, hold associated qualifications/degrees, have industry experience and other notable attributes which maintain a level of quality and care specific to Dynasty.

Our backgrounds have allowed us to create a program which incorporates fundamental technical dance syllabi and specified core styles with a classroom environment promoting growth, confidence and individuality. Understanding performance quality, musicality and theory are also an integral part of the Dynasty student experience and provides a dancer with an education which far exceeds the walls of a studio. This style of education is why both directors are humbled to have students who are either currently working professionally in the international Performing Arts industry, or are currently attending some Australia's best theatrical institutions including WAAPA, VCA, Sydney Dance Company, NIDA and Brent Street.

If you have a dancer who loves to perform, work with others, is ready to extend their abilities and has big dance dreams, then the Dynasty Performance Troupe Program might just be their next step!

THE DYNASTY ETHOS

At Dynasty we believe true artistry lies in the balance between integrity and legacy. We honour the power of hard work, the necessity of challenge, and the courage it takes to stay true to who you are. Growth is earned, but never at the cost of authenticity. Here, boldness is celebrated, uniqueness is magic and every dancer is empowered to take the stage with confidence! Dynasty is a space where progress is purposeful, and everyone belongs.

COMMITMENT

We understand that Troupe is not only about the dancer but it is in fact a family commitment. Embracing the Troupe Program allows for our teams to progress and create incredible friendships, memories and excel in their technical development. Our 2026 Troupe Program is a full year's commitment, this includes the entire 2026 school year. Attendance, practice and effort are all integral parts of any team and we encourage each Troupe applicant to both understand and accept that these expectations are a required part of their journey in Troupe.

- Majesty 14+ Tap Troupe – 2x costumes
- Monarchy Open Troupe – 5x costumes

CONDUCT

It is incredibly important to us at Dynasty that we value safety above all else. We require valid WWVP cards to be held by all persons over 16 years of age who work or volunteer at Dynasty as per Australian Legal standards.

All students, parents, staff and associated personnel are required to follow our Dynasty Studios company policies and ethos. Every person deserves to feel respected at all times, any forms of disrespect, discrimination or indecent behaviour will not be tolerated and may lead to dismissal or in extreme cases further legal action may be taken. We expect every member of the Dynasty community to lead with kindness and compassion.

ABSENCE POLICY

All Troupe Training classes are non-transferable and non-refundable. This means that if a student is absent for a Troupe Training, we are unable to provide an alternate class. Refunds are not available for any Troupe Package classes as per the Dynasty Customer Policy. For non-Troupe Training classes, a student may be eligible to attend an alternate class if a minimum of 48hours notice is given for that absence.

We require advanced notice of all absences for Troupe students via email. In the event of an injury, a student is to provide a medical certificate which provides guidance, restrictions and recommendations on how to best support the student's recovery. Clearance from a medical professional may be required in cases where students are returning to dance after injury to ensure their safety.

Should a student's absence especially frequent absences affect their commitment to Troupe this may impact their participation in performances. All students deserve to feel confident prior to stepping onto the stage, this requires consistency in attendance and in some cases injury management to facilitate.

FINANCIAL COMMITMENT

The 2026 Dynasty Performance Troupe Program is a full year financial commitment. We offer payment plans and can also aid in the application for government or private financial assistance. Our role is to support every family, please don't hesitate to enquire about our financial support options.

In circumstances where students can no longer participate for medical or compassionate reasons you can apply to cease financial commitment. This will be looked at on a case-by-case basis with empathy and support.
